SUPPLEMENT DATED JULY 9, 2020
TO THE PROXY STATEMENT DATED JUNE 10, 2020
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 15, 2020

On June 10, 2020, Teligent, Inc. (the “Company”) filed a definitive proxy statement (the “Proxy Statement”) with the Securities and Exchange Commission, which was recently distributed in connection with the Company’s Annual Meeting of Stockholders to be held on July 15, 2020 (the “Annual Meeting”).

The Company is providing this supplement solely to correct an inadvertent error in the Proxy Statement. In the description of Proposal 2 under the heading “What Vote is Required to Approve Each Proposal and How are Votes Counted?”, which appears on page 9 of the Proxy Statement, the Company disclosed that “The affirmative vote of the holders of a majority of the total votes cast in person via attendance at the virtual annual meeting or by proxy at the annual meeting is required to approve the amendment to the Teligent, Inc. 2016 Equity Incentive Plan to increase the aggregate number of shares available to be granted thereunder from 400,000 to 4,400,000. Abstentions will be treated as votes against this proposal. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will have the same effect as a vote against this proposal.”

The above disclosure incorrectly stated the vote required to approve Proposal 2, which was correctly stated on page 40 of the Proxy Statement. In order to correct the error discussed above, the text below replaces, in its entirety, the description of Proposal 2 under the heading “What Vote is Required to Approve Each Proposal and How are Votes Counted?” on page 5 of the Proxy Statement:

“The affirmative vote of the holders of a majority of the total votes cast in person via attendance at the virtual annual meeting or by proxy at the annual meeting is required to approve the amendment to the Teligent, Inc. 2016 Equity Incentive Plan to increase the aggregate number of shares available to be granted thereunder from 400,000 to 4,400,000. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.”

Except as described above, this supplement to the Proxy Statement does not modify, amend, supplement, or otherwise affect the Proxy Statement.

If you have already voted, you do not need to vote again unless you would like to change or revoke your prior vote on any proposal. If you would like to change or revoke your prior vote on any proposal, please refer to the Proxy Statement for instructions on how to do so.
